October's theme:
SPIRITUAL WEALTH

“Wherever You Are, Give Your Gifts”

Affirmations Oct. 7, 2012

Life is full of opportunities awaiting our embrace.

Each of us has much to share; our gifts are needed everywhere.

True wealth is not in what we do, but in who we are.

No circumstance or condition can diminish my worth or potential.

What flows through us makes us richer.

I use every experience for the Highest Good of all.

The Universe loves, supports, and opens doors for me.

Spiritually grounded, I make a difference wherever I am.

The Good I seek is seeking me; we are in a holy union at One with each other.

INNER LIGHT MINISTRIES

Inner Light Ministries is an Omnifaith outreach ministry dedicated to spiritual transformation. We provide “Tools for Living”™ that encourage the practical application of Universal Spiritual Principles to all of life’s circumstances. Our aim is healing through the energy of love and the revealing of our own Inner Light. As an Omnifaith ministry, we embody Spiritual Oneness, appreciate individualized expressions, and honor all paths that lead to Truth.

Our Vision:

*An empowered world that is
spiritually fulfilling, environmentally sustainable,
and socially just*
